Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the following documents for the above-identified application. Copies of the documents set forth below and listed on the attached Form PTO-1449, are provided herewith.

1. German Patent Application No. 199 01 288 A1

The relevancy of the document is explained below.

U.S. PATENT APPLICATION
SERIAL NO.: 10/692,558
INFORMATION DISCLOSURE STATEMENT

ATTY DOCK: 3926.059

Document 1

Document 1 was cited in a German Office Action in the corresponding German Patent Application as mere technical background. Applicants are not aware of any English language equivalent documents for document 1, other than an English language Abstract which is attached.

The document discloses the monitoring unit in each loudspeaker (9) has a microphone (25) to receive a pair of test tones and compare (27) them with specified levels. The measured result is identified with the loudspeaker address by the coding circuit (28) and returned on the loudspeaker feed cable to the central control unit. The test circuit is started manually or from a time control.

The present Information Disclosure Statement is being filed after three months from the application's filing date but before the mailing date of the first Office Action on the merits, therefore no Certification Under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedated or otherwise remove any listed document as a competent reference against the claims of the present application.
